

Major Pentatonic Shape Idea on Guitar

This sheet illustrates the ideas in the YouTube video by the same name at this web address https://youtu.be/dVyA0kvgvU8?si=esIwzAb5n-k_iDRL

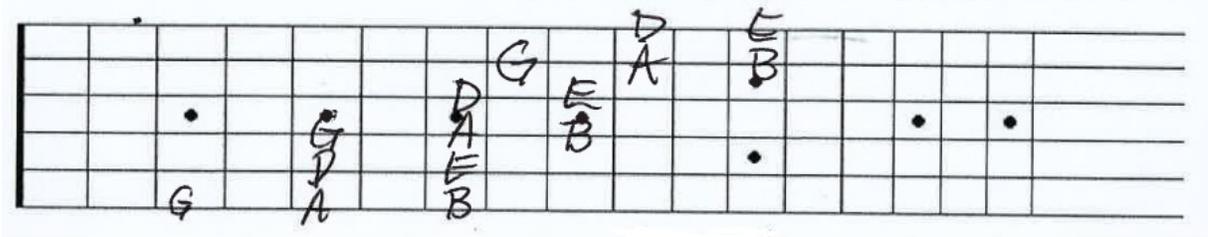

Here is the shape on the guitar...

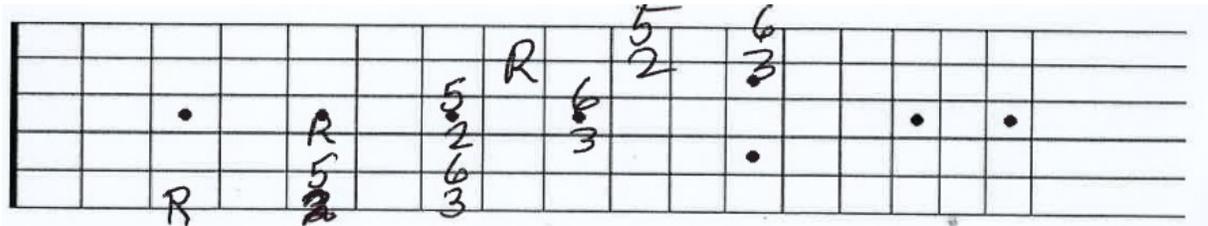

This makes up a G Major Pentatonic Scale, but using the 2 note shape to find symmetry within the scale. This connects a lot of the fretboard together, and also easy to visualize, and easy to play and get proficiency and speed at.

The note names in the G Major Pentatonic Scale ... G A B D E

Here this is on the guitar...

Here are the degree numbers of this scale as related to the G Major Scale...

Solfeggio of all this...
